Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Restriction/Election Requirement mailed October 11, 2006, Applicants hereby elect Claim 29, but urge the examiner to include claim 30, since of the eight ingredients listed in each of the two claims, six of the eight are identical between the two claims. Only two of the eight ingredients in each claim differ. Therefore, it is reasonable and presents no increased search burden to the examiner to include both claims 29 and 30 in the examination. This election is made with traverse for this reason.

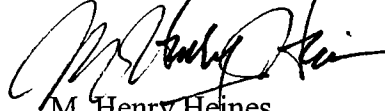

Richardson et al., Application No. 10/627,439, filed July 25, 2003  
Examiner: Marschel, A.H.; Art Unit 1614
